Words of Wisdom...

When one door closes, another opens; but we often look so long and so regretfully upon the closed door that we do not see the one which has opened for us.

Alexander Graham Bell 1847-1922, Scientist and Inventor

ARE YOU A PESSIMIST OR AN OPTIMIST?

I thought this quote by Alexander Graham Bell was perfect for this title!

These last weeks have been absolutely whirlwind ... Chicago for an APTA meeting, Ireland to work with the folks at AOIFE, Kansas City, MO for IFEA and then on to McMinnville, OR for the Oregon Main Street folks. Just as an aside ... go to McMinnville ... what a darling little town! And this week NRPA. What a joy it is to work with people who LIKE sales! :)

This from Harvey Mackay, one of my favorites:

Pessimists believe ...

Good things in life are temporary;

Good things in life are limited - small or insignificant;

People have no control over their environments.

OK ... what do optimists believe?

Bad things do happen in life but they are temporary;

capital expense and no lease payments. In return, recipients purchase their supplies through Xerox's online store at competitive prices for a 3 year period. For more information, click on the link above.

Those that sign up through this link will be helping Sylvia's Children! Sylvia has a printer through this program for Sylvia's Children, and Xerox provides a discount to Sylvia's Children for each referral.

Where In The World Is Sylvia?

October 14-16 ... NRPA, Charleston, SC

October 18-19 ... Stafford Township Wine Festival

October 23-31 ... APTA Fam tour to Uganda

November 2-5 ... Amelia Island conference

November 13-21 ... Uganda for Sylvia's Children

November 24-30 ... Fishhouse Parade, Aitkin, MN

Bad things in life are limited in scope and tend to be small or insignificant;
People have control over their environments.

PLUS ... optimists help create some of the good they come to expect so they are probably right more often than not.

Is your glass half full or half empty? Mine is overflowing!
