### What does freedom mean to you?

This question was asked of members of the DAR (Daughters of the American Revolution) and a whole range of answers came forth but there were two very dominant ones... What were they?

No. 1 ... freedom of choice... I can be what I want to be, I can be where I want to be, I can do what I want to do.

No. 2 ...this was the answer by those who are DAR members, and it was ...I'm proud that my family played a role and granting freedom for all of us in America.

July 4, 2022 is the 247th anniversary of the signing of the Declaration of Independence... celebrate the day, enjoy your freedom, be grateful for the country that we have.

*We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are Life, Liberty and the Pursuit of happiness."*

HAPPY JULY 4TH!
