

November 23, 2022

Be grateful for all the blessings in your life and send your love, thoughts and prayers to the people of Ukraine who are currently suffering so dramatically with food, water, heat and electricity deprivation.

I am sending you my warm wishes from home to home and from heart to heart to wish you a very Happy Thanksgiving! May this day be a reminder of the wonderful things in life and our beautiful country where freedom and abundance are sometimes taken for granted.

Happy Thanksgiving!
